HAUGHLEY WI

Our speaker in March was Liza Jones on “The Painted Face”, an illustrated talk on the history of cosmetics. Liza brought many samples along, some of which were poisonous despite having been used for years by women and some men. For example, in Ancient Rome, a pale complexion was seen as high status and poisonous white lead was used to get the look. In the 1500s, Elizabeth 1, Queen of England was using a mix of lead and vinegar on her face. An interesting fact from the eighteenth century was that the fur of mice was used to replace lost eyebrows! The trend in the twentieth century was to copy celebrities such as Marilyn Monroe, Sophia Loren, Joan Collins and Audrey Hepburn and they became role models for the make-up of the day. Some of our members enjoyed reminiscing about the make-up they experienced during their teenage years in the 1960s which was far less sophisticated than that used today.

Looking ahead, we are planning several trips to local places of interest this year. The first organised trip in early July is to Bressingham Gardens and its Steam experience. Our monthly Lunch Club is still going strong using car share to travel to different venues.

Haughley WI will be running the Community cafe on April 6th. As always we will be providing home baked refreshments and a cake stall of delicious goodies. We look forward to seeing you there!

We have seen several guests coming along to this year’s monthly meetings and have welcomed new members. If you are thinking of joining us, there is the opportunity for a free taster visit. Our next speaker on April 3rd will be the Shepherdess Sheila Innes. On June 5th we will be holding our yearly Open Meeting. Dr Geoffrey Kay’s talk is titled “Over Paid, Over Sexed and Over Here: The Us Airforce in East Anglia.” Sounds intriguing. Tickets will be on sale shortly from Haughley Post Office, the Second Hand Shop in Old Street, or from Julia Brook.

Julia Brook, Jane Thompson.

NEWS FROM YOUR DISTRICT COUNCILLORS

Devolution in Suffolk: While Suffolk County Council has commenced a consultation exercise on Devolution (from 18th March until 26th May), the District Council will be debating this at Council on 20th March. Mid Suffolk District Council is a consultee only but councillors feel it is important to debate this publicly and to put forward all comments and concerns from the district's perspective.

Rural bus transport: A new rural transport grants scheme with a pot of £600,000 has been launched to help provide passenger transport options across the district. Existing community transport operators can apply for funding before 15th April. More details are available here via www.midsuffolk.gov.uk and search for *rural transport*:

Council award: The councils of Mid Suffolk, with a Green Party administration, and Babergh, that is Independently led, have just been jointly awarded *Council of the Year* for their collaboration with different partners, working to improve services and focus on communities. This was awarded by the iESE, a not-for-profit organisation created by local authorities as a shared resource to transform public services and retain experience within the sector.

Home insulation: A reminder that the *Cosy Homes* home insulation initiative is still open for applications. Eligible households can apply for **free** energy efficiency measures in their own homes, including if privately rented. Full details are available via www.midsuffolk.gov.uk and search for *Cosy Homes*.

WOOLPIT STEAM

Corner Farm, Woolpit Road, Rattlesden, Bury St Edmunds, Suffolk, IP30 0RZ.
Tel 01449 737443 after 7.30pm

PRESS RELEASE

Woolpit Steam rally will be returning over the weekend of June 1st & 2nd to Warren Farm, Wetherden, IP14 3JX, by kind permission of R & P Baker. The 2023 rally was an incredible success with a record £30,000 being donated to local charities and community groups and we hope to be able to raise much needed funds again this year. This has brought the cumulative total raised by Woolpit Steam so far to over £330,000 and none of this would be possible without the support that we receive from local businesses and sponsors, the stewards and helpers and all of the people that join us for a great day out.

We are already being offered some very rare, interesting and historic exhibits, and it is this desire to present to the public such unusual machinery which makes Woolpit Steam different from many other shows. This encourages the true enthusiast to travel from all parts of the country but equally captures the imagination of the casual visitor.

Woolpit Steam has always been and is probably best known for its pre 1930 tractor display which rivals many of the largest shows in the country and we would expect to see around 20 examples on show again this year and a further 70 tractors built before 1965 are anticipated.

Not to be outdone, the stationary engine section is likely to number 80 in total with several being over 100 years old. Many will be presented doing what they were originally designed for by driving an array of mills, pumps, dynamos and other machinery. This section includes the Bamford line shafting display where one engine is powering multiple machines for preparing feed for livestock.

The wood sawing display which has examples of steam, tractor and stationary engine driven saws producing planks, posts and fire wood will remind people how things used to be done. Nearby you can experience the roar of the mighty Caterpillar D8 bulldozer which will be demonstrating its power and performance leveling soil. Anybody who witnessed this last year will know what a truly amazing sight and sound it is.

Other exhibits on show will include full size steam engines including examples of showmans engines, agricultural engines and even a portable engine designed towed between jobs.

Vintage cars, motorcycles, commercial and military vehicles are all represented and a number of models and displays will provide something of interest for everybody.

If you are looking for a gift or that elusive spare part then there are over 50 craft, trade and auto jumble stalls to tempt you. There is also hot and cold food, licensed bar and ice creams.

This year we are pleased to announce the return of Mike Rule with his ever popular Steam Gallopers and big wheel which will allow you to get a bird's eye view of the show. These will be supported by side stalls, Punch & Judy and a full ring programme on both days to keep the family entertained.

Gates are open from 09.00 – 5.00 on both days and admission is Adults £8.00 Saturday / £9.00 Sunday, and children £2.00 on either day.(please note we are unable to accept card payments) Car parking is free and the show is easily accessible from Junction 47a on the A14 eastbound, or Junction 49 west bound.

DO YOU WANT MORE OPPORTUNITIES TO BE ACTIVE LOCALLY?

FIT VILLAGES is a well-established and popular project delivered by the team at Active Suffolk.

The team is working with us to survey Haughley and the surrounding area, and potentially set up physical activity sessions for adults aged over 55 using local venues.

Haughley is quite a busy village already but the population has grown with the new developments and we believe that there is a demand for more or different activities.

Have you been looking for a different physical activity or do we already have an evening fitness class and you would like a daytime class?

Activities might include Pilates, yoga, keep fit, table tennis, Nordic walking, walking football and more besides ...even singing for well-being!

Please complete the brief survey form by using
the QR code

If you are not sure what to do with a QR code or definitely need a paper copy of the form come for help to the Community Café in Haughley Village Hall on Saturday 6 April. If you can't come to the café but need help please text or phone your local contacts.

Your local contacts are:

Julia Brook from the WI on 07774 560507

and

Thirza Shaw from the King George V Playing Field Committee
on 07786 375441

The deadline for returning your survey form is Friday 12 April 2024.

Play Equipment – Haughley Block Plant donation received. I am pleased to tell you that Haughley Block Plant have awarded us a donation of £2777.00 toward the cost of repairing the play equipment that is now 11-12 years old. The Committee is very grateful as this is a massive help and will pay for the necessary repairs to our play area. At the Parish Council meeting it was agreed to use the £400 Pride in your place grant and some reserves towards the cost of the repairs. This will enable us to get these repairs booked in.

50/50 Draw 2024 – Our first draw of 2024 was held just before the start of the Parish Council meeting and the winners are First Prize won by Janet Berry & Terry Downing, Second Prize won by Andy Flint, Third Prize won by Dave Walker.

Easter Egg Hunt 24th March is due to take place shortly after this goes to print. I am sure great fun will be had by families taking part and we thank the Scouts for organizing this joint fundraising event. Fingers crossed the weather will be sunny to add to the pleasure of an activity at the playing field.

We are NOT continuing our Coffee morning on Tuesdays as it is not proving to be viable for the volunteer time it takes. That time will be put to looking into other projects that may lead to alternative activities at the pavilion for the community. If there are any groups that would like to meet or start an activity, please do get in touch, we are keen to encourage a wider variety of activities or similar ones at different times. We are also working with Active Suffolk to find out what other activities would be desired by the over 55s in line with one of their initiatives.

Our Pavilion Future working group are still working away in the background looking at alternative options for reshaping the building that will help us achieve the improvements needed.

THE RETURN OF THE EVERGREENS

In my article in the March edition, I said that if we can generate sufficient funds, we will hold a Christmas lunch.

Well, what a wonderful surprise! Paul and Debbie Webster of the Kings Arms have made the incredibly kind and generous offer of providing up to 50 (yes, 50!) two course Christmas lunches with tea/coffee at the pub in early December for Evergreen members.

It is a brilliant offer, thank you both!

This offer has come while Tracey Rayner has been doing a great job of organising the sell-out ABBA 60s 70s Night fundraiser which will take place on Saturday, 13th April.

We are also grateful to the Haughley Parish Council which has awarded a grant towards the initiative and we are now in a position to relaunch the Evergreens starting with the Summer Tea Party on Tuesday 20 August. The Tea Party has been expanded from 30 to 50 people in the village hall.

Now is your first opportunity to register your interest in joining Evergreens. It is open to all women and men age over 70 who live in Haughley parish but there is a maximum membership of 50 people.

We are looking for a good mix of people including some who are new to the parish and others who have lived here a long time.

There will be an annual membership fee of £5 but you can save up for this, payment will be (to the WI Treasurer) on 1 July this year. Membership will give you a ticket for the Summer Tea Party and Christmas lunch.

We are continuing to pursue other funding opportunities to put Evergreens on a sound footing for at least 2-3 years.

HAUGHLEY PARISH COUNCIL MEETING MARCH 19TH NOTES

Issues raised during the public forum were in Haughley Green verges, and Anti-social behaviour concerns in Steggall Road. **Suffolk County Council Devolution** – there is a public consultation running from 18th March 2024 to 26th May and the Parish council have agreed to include information regarding this at the Parish meeting on 13th May 2024 in the Village Hall. In advance of that, more information can be found online at [Suffolk.gov.uk/devolution](https://www.suffolk.gov.uk/devolution). **Planning DC/24/00839** - Proposal: Householder Application - Erection of side porch extension (following removal of boundary wall). Location: 12 Turner Lane, Haughley, Stowmarket, Suffolk IP14 3SA – Supported.

The Bio-Diversity & Wildflower Working Group asked Councillors to consider an information sign is erected to inform residents about the wildlife friendly mowing on a section of The Green and that the working group can explore the possibility of uses for the unused paddock at the Allotments. Both were agreed.

D-Day 80th commemoration plans are developing courtesy of our Local British Legion Branch. These will be on the evening of 6th June 2024 the proposed schedule starting at 7.30pm with a short film about the Suffolk regiment in the church and ending with the official timed lighting (weather permitting) at 9.15pm on the Green.

Feedback from the **Village litter pick** was extremely positive regarding the turnout and support. A beautiful sunny Spring morning with 25-30 volunteers. The only negative is the need for this activity and the sheer volume of litter collected. **Thank you** to all that took part.

It was agreed not to pursue the idea of a permanent Christmas tree on the Green for several reasons. Thank you to those that supplied additional information for consideration.

Full draft minutes will be available on the Parish council website
www.haughleypc.co.uk

Our next meeting is 16th April 2024 7pm at the Ron Crascal Pavilion
Annual Parish Meeting will be Monday 13th May 2024 at the Village Hall

STOWMARKET AND DISTRICT CAMERA CLUB

Our Open 3 competition was held on 12th February 24. A superb 'club night' with seven members scoring top marks. An experienced judge, Vic Hainsworth ARPS, DPAGB, APAGB gave us detailed critiques and some useful information on composition and presentation.

Membership numbers continue to rise and the quality of images also reaching record breaking results.

26th February. An evening away from competition, we welcomed our guest speaker Mr David Steel DPAGB. David

Bridge to St Pauls

We experienced the wonderful sights of The Taj Mahal, the local schools and a traditional Indian wedding with all its colour and glory. The packed roads full of cars, motor bikes, scooters and the occasional cow sunbathing in the sun enjoying the spent fumes of the local traffic.

David also shared his tips on photo cropping and Photoshop enhancements.

WETHERDEN HISTORY GROUP (WHG)

Annual Report 2023

January 2023 marked the 14th Anniversary of the Group and we celebrated with a social event in February in The Maypole.

We held our AGM in March at which Alex, Chris and Pat were elected to continue in their posts as Chairman, Treasurer and Secretary.

Here are some of the other things we did during the year.

MAY: KING CHARLES III CORONATION

We held a display in the Church showing how Wetherden had celebrated the Coronation of Queen Elizabeth II and other important events in her life, over the Coronation weekend, 5 – 8 May. As usual, visitors also had access to other resources of interest.

JULY: CHURCHYARD MEMORIAL RECORDS

A plan of the churchyard showing the location of memorials, and a folder containing the associated inscription details and photographs were produced and made available in the church. This was based on valuable work done by member Richard Cooke over a number of years, with some help from other members. Member Pat Tuffin collated the work and presented it in an accessible printed form.

Names can be accessed in an alphabetical list. Each has a reference number which can be used with the plan to locate the grave in the churchyard. The number also helps to find the associated inscription and a photograph of the memorial stone.

The information will be updated as and when new graves and monuments appear.

OCTOBER: EVENT – 1970s & 1980s WETHERDEN

We were pleased to welcome over 40 visitors to the event, some sharing their memories from this time. Much happened in the village then: houses appeared on green spaces within the village; there were changes to the pub building; the village school was facing the threat of closure and parents were fighting to keep it open, and then it closed. A copy of the information has been added to our archive and will be available at future events.

NOVEMBER 3: VISIT TO THE HOLD

Chairman Alex Jarrett and member Julie Kersey joined members of Elmswell History Group for a “Behind the Scenes” visit to The Hold in Ipswich, the home of Suffolk Archives.

NOVEMBER 11: THEIR FINEST HOUR – Digital Collection Day

On November 11 some of us interviewed people who shared their stories, or family stories, of life during WW2. We were pleased that so many people came, bringing interesting recollections, pictures and artefacts to show, tell us about and record for this new endeavour.

Member Valmay Young, who was the lead for this work, which is a University of Oxford project, spent much of December uploading the stories and photographs to the “THEIR FINEST HOUR” website. Later in 2024 the stories and photographs collected and uploaded from all over the country, as part of this project, will become generally available.

WEBSITE & FACEBOOK

It's still early days, but we do have a website, and we are on Facebook.

MEMBERSHIP

We normally meet on the first Monday of each month in the Village Hall to share our interests and bring together information gathered by groups or individuals. We do not host talks, but we do share information about talks held by other local history groups.

WHG is a member of the Suffolk Local History Council which entitles us to send members to its special events. Members usually attend the March Societies Day and the October conference to hear speakers talking on a variety of topics. There are also other events during the year to which we are invited.

If this brief account of our work over the past year has sparked an interest in finding out more about the Group do contact

Alex Jarrett – Chairman: telephone: 01359 244277
 email: alexpat@apjarrett.plus.com

Pat Tuffin – Secretary: telephone: 01359 240396
 email: pattuffin@gmail.com

NOTE: The meeting in April is on Mon 8 Apr, 7.30 pm, in the Village Hall.

Haughley Art & Crafts

Over the next few weeks, we will be planning our flower arrangement for the Village Flower Festival which will involve the work of all our artists and crafters.

Meanwhile, work continues on pom-pom wreaths, card-making, knitting and painting.

All are welcome.

**We meet on Thursdays 7-9pm at the Village Hall.

1 Corinthians 4:10

¹⁰For Christ's sake we are fools; but you are wise in union with Christ! We are weak, but you are strong! We are despised, but you are honoured!

The 1st of April has become (at least till 12 noon) a time to play tricks and pranks on people, and if they do not realise what is happening, they are called an April fool. There is even a reference to April fool's day in Geoffrey Chaucer's *The Canterbury Tales* from 1392. In Medieval times many well off houses would have their own fool or court jester, their primary purpose was to keep political leaders grounded by entertaining the court aristocracy with crude jokes and performances.

In the Old Testament a fool was someone who refuses to listen to wisdom or learn from discipline, failing to fear God or respect the rules of reality, they repeat their folly much like a dog returns to it's vomit. "Whoever digs a pit will fall into it; if someone rolls a stone, it will roll back on them." (Proverbs. 26:27) But St Paul encourages us to be fools for Christ. I am sure that many people that are not Christians, do think that Christians are fools to believe in something or someone that can't be seen or science can prove. But if we become Fools for Christ it's not about being silly and doing jokes on people ,it's about standing up for what we believe in, speaking out for those who cannot speak for themselves, not going along with the latest trends and ideas but being true to God.

Being a fool for Christ or Foolishness for Christ is an old idea that refers to behaviour such as giving up all one's worldly possessions upon joining an ascetic order or religious life, or deliberately flouting society's conventions to serve a religious purpose—particularly of Christianity. Such individuals have historically been known as both "holy fools" and "blessed fools". The term "fool" is often perceived as feeblemindedness, but in these terms, "blessed" or "holy" refers to innocence in the eyes of God.

Today we are all called to be fools for Christ. Our calling is a different way of thinking and being, a way that the world will regard as foolish. If we live out this calling with integrity, if we are truly people of love and grace, if we live sacrificially in service to others, many in the world will be drawn to Christ.

Yours. Robert

WETHERDEN VILLAGE HALL

There were just over seven tables in play at our Whist Drive held on Friday 8th March. Holding the Whist Drives in the afternoons continues to be very popular, and everyone seemed to enjoy the afternoon a good "deal!"

Our next Whist Drive is on the cards for Friday 12th April at 2pm.
Why not stay ahead of the pack, and come along????
You will be sure of a warm welcome!

My council tax bill is coming out in March, and I am dreading opening it as it always goes up. My income has stayed the same but everything else seems more expensive and I have hardly anything left over - how will I cope if my payments for this year go up?

Many of us are feeling overwhelmed as we see our basic bills and essential costs go up. You're not alone in finding things difficult and, crucially, there's support available.

First off, there are discounts available to some people depending on their circumstances. You can check your bill or contact your council to find out if you might be eligible for an automatic reduction to your council tax.

If you're not getting a discount, you might still be entitled to one. It depends on who lives in the property. So, if you're the only adult in your home, you'll get a 25% discount on your council tax bill.

When working out how many people live in a property, some people aren't counted - they're called 'disregarded people' and include under 18s, a student nurse or someone on an apprenticeship scheme and many more. Checking the government website (<https://www.gov.uk/council-tax/who-has-to-pay>) for more details. If everyone who lives in the property is disregarded, you will still receive a council tax bill, but it will have a 50% discount. However, if everyone in your home is a student or severely mentally impaired, you won't pay any council tax.

Additionally, if someone has moved out, tell the council as this might change your eligibility. If you are entitled to a discount as a result, it will be valid from the date when the person moved out, even if you told the council after the event, and the reduction may be backdated.

If you think you might be eligible you should apply to your local council for a discount as soon as possible. You can find your council's contact details via <https://www.gov.uk/apply-for-council-tax-discount>

You mention that your income hasn't increased. If you are on a low income, you might be able to get your council tax reduced. If you get benefits or have other people living with you, this might affect how much your council tax is reduced by.

Your local council will ask you details about your income and your circumstances, so they can work out if you're entitled to a council tax reduction. They will then calculate your new bill and tell you how much council tax you need to pay.

If you have other people living with you who are aged 18 or over, you might all be responsible for paying council tax. Only one of you needs to apply for a council tax reduction. The council will make a decision and reduce the amount of council tax you have to pay accordingly.

You may also be eligible for additional support if you've reached State Pension age which you can check on the government website via <https://www.gov.uk/state-pension-age>. If you're under State Pension age, the 'working age rules' apply and if you've reached State Pension age, it depends if you or your partner get certain benefits.

The working age rules still apply if you've reached State Pension age and you or your partner get:

- Universal Credit
- Income-based Jobseeker's Allowance (JSA)
- Income-related Employment and Support Allowance (ESA)
- Income Support

If you've reached State Pension age and don't get any of these benefits, the 'pension age rules' apply.

Even if none of the reduction criteria applies to you, your local council can still reduce your council tax bill or cancel it altogether, this is called 'discretionary reduction'. They'll normally only do this if you can show that you're suffering severe hardship and can't afford to pay council tax.

If you're in this situation you should ask your local council for help. You'll need to show them evidence of your circumstances. If your immigration status doesn't let you claim public funds, you can still apply for a discretionary reduction. A discretionary reduction doesn't count as public funds.

We know that times are incredibly tough and council tax is a priority bill so it's important to keep in contact with your council if you can't keep up payments. Citizens Advice is here to help you find a way forward, without judgement, working with you side by side.

ELMSWELL HISTORY GROUP

Our March meeting featured Stephen Poulter's talk on "*Suffolk's Lost Heritage*" when he referenced and quoted various writers and antiquarians over the past 400 years who had reported on their travels around the county. The earliest was "Britannia" by William Camden (1551-1623) which mainly detailed powerful wealthy families and included old maps. "Tour of the Island of Great Britain" by journalist Daniel Defoe (1660-1731) gave eye-witness accounts of what he saw and experienced on his travels. Then we had two Victorians, Thomas Kitson Cromwell (1792-1870) with his "Excursions of Suffolk" which he undertook on horseback, and solicitor and motoring correspondent, James Edward Vincent (1857-1909), writing his "Through East Anglia in a Motor Car". Finally, there was Arthur Mee (1875-1943) and his "King's England Guides" covering all English counties. We saw wonderful illustrations and images of long-gone buildings (although some ruins still remain) such as Boulge Hall north-east of Ipswich which was owned by Edward Fitzgerald, a roman fort and early Saxon settlement in Brettenham, Brome (pronounced 'broom') Hall on the Suffolk/Norfolk border owned by the Cornwallis family, and powerful Baron Hugh Bigod's Castle in Bungay which was demolished by Henry III. The chapel barn in Bures on the Essex/Suffolk border was where King Edmund was crowned (at the age of 14), the barn being restored in the 1930s. Bury St Edmunds' magnificent abbey was quoted in 1538 as being "a city" in itself, and we were shown Clare Castle and Keep on a steep mound in its 20 acres which was built by a cousin of William the Conqueror. Finally, we saw most of the whole coastal town of Dunwich shown on an 1827 painting by Turner, but by the time of James Vincent's visit at the beginning of the 20th century he was "not impressed", because by then most of it had disappeared under the sea (coastal erosion being nothing new), the town by then being a rather sad shadow of its former self.

EXHIBITION, "*Rendlesham Revealed: The Heart of a Kingdom AD 400-800*". If you missed this amazing exhibition at Sutton Hoo recently, more than 50 archaeological items found there are now on display at the West Stow Anglo-Saxon Village Museum (Icklingham Rd, IP28 6HG) until 23rd July. The finds include gold jewellery and coinage, and the display focuses on the main story of royal Rendlesham at its height when it was the power centre of the early East Anglian kingdom 1,400 years ago. For more details, visit

www.heritage.suffolk.gov.uk/rendlesham, or call 01284-728718.

Our next meeting on **11th April, 7.30pm at the Wesley** (IP30 9EE) will welcome back Jacquie Norman for her talk on "*Tudor Costumes*" which is the second part of an earlier excellent one she gave us on this subject, and will include wonderful replica samples of the costumes themselves and be shown how they were worn.

Do join us then – everyone welcome.

ORCHARD BARN NEWS

Looking back and paying it forward – the carbon offsetting of our building

It's hard to go anywhere these days without noticing new houses being built – whether it's just one or a whole housing estate. At Orchard Barn, our 'new build' education space was first built using a traditional timber frame in the 1580s when Elizabeth I was Queen. By 1910 it was divided into 2 cottages – one was lived in by Benjamin Rouse and the other was used as a granary and to keep chickens in. The cottages finally fell over in the 1960s.

Learning on the job, our volunteers and trainees have reinstated the timber frame, like for like, using traditional methods and hand tools, and have even incorporated some of the original 450 year old timbers into it. Careful calculations show that our oak frame has locked away some 27 tonnes of carbon dioxide, which otherwise would have been released into the atmosphere if the wood had been chipped and burnt. We hope that in another 450 years, our building will still be in use, by which time some of the timbers will be over 900 years old!

To find out more about us and what we do, or to volunteer with us, take a look at our website <http://www.orchardbarn.org.uk>, call Sarah on 07766 054042 or email her at sarah.orchardbarn@gmail.com
