

FISHPONDS DEVELOPMENT

BELLWAY HOMES

As you can imagine, as the majority of Construction sites, The Fishponds development has been on Lockdown for some time, in fact we have not actually commenced with any construction works.

However, now that there has been an easing up of the Social Distancing Rules we are due to commence with Construction at the beginning of August.

Monday 3rd August will see the arrival of site accommodation etc and general site set-up.

Monday 10th August will be the target date to “Commence” with construction and material works.

As per our normal procedure, our Construction Team will be in contact with local residents at the appropriate time.
