HAUGHLEY PARISH COUNCIL PROTECTION OF THE VILLAGE GREEN

Following publication of the Council's intention to erect posts, to protect the Village Green, public feedback from residents expressing concerns led to the Parish Council suspending approval.

The Village Green still needs to be protected and this has been evident over the past year.

The following proposals are the Parish Council's intentions for protecting the Village Green;

1. No Parking on the corner of The Folly (outside the White House)
2. No parking on the odd numbered side of Old Street
3. No parking on the verge on the even numbers side of Old Street
4. Look to investigate the weight restriction for lorries
5. Replace the missing posts along the odd side of Old Street
6. Install/replace posts on the even numbered side of Old Street from the bus stop to number 46
7. Install/replace posts on the verge at the bus shelter
8. Reinstate a double height kerb from the pump to the Coal House

The Parish Council will be at the Community Café on Saturday 7th September from 10-12 to speak to residents and consultation forms will be available.

If you are unable to attend the event then you are also invited to request a consultation form from the Clerk clerk@haughleypc.co.uk to complete or download from the Parish website <http://www.haughleypc.co.uk/latest-news>

Deadline for all responses is Friday 20th September 2024

Share your memories and photos of Haughley...

Come along for tea and home-made cake

on the afternoon of Tuesday 17 September 2024.

The WI is hosting a one-off group, of women and men, in the Green Room at the Village Hall to capture memories of Haughley from the last 100 years.

In October 2025, Haughley WI will celebrate its Centenary. As part of the celebrations next year we are hoping to hold an historic Exhibition of Haughley WI in the context of Haughley life and the wider picture of England over the 100 years. We are also looking to write a short book.

We have been visiting the Archives at Ipswich but we need to bring it to life through your memories and photos.

If you have memories to share, please join us.

Registered Charity 310361

The Trustees are able to award grants to individual residents of Wetherden of all ages, in order to help them with continued education, including those at Universities and Colleges of Further and Higher Education.

Residents of the Parish of Wetherden already involved in continuing education courses, or who are about to commence a course are invited to submit applications for the Academic Year 2023-2024.

The Trust also offers support to Crawford's CEVC Primary School and is happy to consider applications for funding from any other organisational group working for the benefit of the children and young people of Wetherden.

Individual and group requests for short courses or educational needs may be submitted at any time.

Application forms and further details may be obtained from:

Jan Tidmarsh (Awards Secretary)

Tel/Text: 07749809538

Email: crawfordtrust001@gmail.com

Completed application forms for the academic year should be returned to the Awards Secretary, by **30 November 2024**.

The Kings Arms was the venue for our Summer Party and it was a great success, although disappointing that the weather prevented us from holding it outside in the pub's refurbished garden. It was a lovely buffet! We also enjoyed a Lunch Club visit to the Mill at Stowmarket.

INSPIRING WOMEN

Our August meeting was about the work of EACH, the East Anglian Childrens' Hospices. Volunteer John delivered a thought-provoking talk, highlighting that only 15% of the funding comes from government and statutory sources. There are 48 EACH charity shops in the region raising funds, stalls at events, raffles, legacies and the EACH Lottery all contribute to meet the funding shortfall. The running costs are £8500 per hospice per day

The Hospice movement began in the 1960s for adults but it was another 20 years before the first children's hospice was opened in London. EACH focuses on the whole family of those children with life- threatening conditions and 625 families are supported currently, with much of that support in their own homes and through sibling days. There are 3 hospices: The Nook in Norfolk, Milton in Cambridgeshire, and the Treehouse in Suffolk. The Treehouse is modern and purpose-built. It has a sensory room, hydrotherapy pool, and plenty of space to play and is surrounded by trees. At Christmas the trees are full of lights sponsored by BT.

All 3 hospices are rated outstanding by the Care Quality Commission.

It is our turn to run the Community Café on Saturday 7 September – be sure to visit for tea/coffee and home-made cake!

Haughley Art & Crafts

We meet again on Thursday 12 September and will experiment with shaving foam and acrylic inks to make abstract artwork! Playing in this way, we will continue the following Thursday. On 26 September, Judy will guide us in making a dried flower half wreath.

If you would like to come along and join us but prefer to work on your own project, that is fine too. It is a good social evening as well as an opportunity to learn something new.

If you would like to join or you have a craft skill that you could share with us, please contact Julia on 07774 560507.

A14 COMPLETION

The A14 resurfacing work was completed ahead of time at the end of June. For once therefore we can say National Highways did a good job in that regard. The cost was, as budgeted £37million. Also a good result.

We have from time to time reported through the Parish News the ups and downs of efforts to get this work done.

Once it started our efforts with all the Parish Councils was to mitigate the through traffic, the speed of it but in the end with little success. The appeal of a rat run in effect running parallel to the A14 outweighed the ambitious signed diversion through into Norfolk.

Now it is done, the noise from it has effectively stopped and the road surface is in a safer state.

Job done we feel. Signing off!

EAST ANGLIAN TRADITIONAL MUSIC TRUST (EATMT)

The folk scene in East Anglia is growing. We have access to many local festivals the most well known being Latitude, Folk East, and Cambridge. Along with musicians the festivals also attract Morris teams. 15 Morris teams are preparing to bring their vibrant dancing and music to Stowmarket Traditional Music Day on 21st of September.

The day will consist of Morris dancing in the town centre and behind the doors of several of the pubs there will be musicians enjoying playing together. All day there are concerts, workshops, step dancing, jig dolls, and story tellers performing at a variety of town centre venues.

Among the more well known performers are Jackie Oates, Damien Barber a Norfolk boy, Katie Howson from Haughley, The Harbour Light Trio and many, many more.

Huge thanks to the Town, District and County Council and Community Development who have delved into their pot to help fund this event. We have called the project Stowmarket on Show. Due to the generous funding we are able to offer all the day time events for free. These events will be found at John Peel Centre, No 11 Market Place, The Walnut, The Pallet Bar, The Royal British Legion, Stowmarket Library, Stowmarket Church and Church Hall and Stowmarket Scout Centre. Local singing groups, local musicians and schools will also be taking part in the entertainment.

Our logo for this "big day" is a jig doll. The programme will be available on our website towards the end of August. Also on the website are details of how to obtain tickets for the evening concerts for which there is a small charge.

EATMT is a registered charity. We collect and provide information about folk music traditions and arrange promotion events. East Anglia has a rich seam of folk music and has provided inspiration for composers such as Vaughan Williams and Benjamin Britten.

We invite you to have a look through our website where there is a wealth of information, such as the histories of instruments, dance, songs and stories and also a list of our current, future and past events taking place all over the area.

We do hope you will be able to join us in Stowmarket on 21st September.

UNAUTHORISED ENCAMPMENT OF TRAVELLERS ON THE PLAYING FIELD

During the late evening of 29th July, a group of Travellers arrived in Haughley and formed an unauthorised encampment on King George V Playing Field. The number of caravans generally varied between 10 and 16 plus other vehicles. Haughley Parish Council, together with members of the Playing Field Committee and football clubs coordinated their efforts to minimise the extent of potential damage. The Council lead the consultations with Mid Suffolk District Council, Suffolk County Council and the Gypsy Roma and Traveller Service for Norfolk and Suffolk and the Police.

We wish to record special thanks to several people who put in many many hours:

- finding out what needed to be done within the Law,
- liaising with Council Officers and others,
- arranging for Notices to be agreed, drafted and served,
- speaking and communicating with residents and others both directly and via social media,
- preparing for and arranging for the great clean up and
- arranging for immediate and temporary security.

It was a lot more complicated than this sounds.

Within a few hours of the travellers leaving, it was necessary to secure the playing field against all access due to the site having been left with significant contamination. We thank all those who have helped, including

- ⇒ **Public Realm from MSDC** for cleaning up so much and so swiftly after the travellers left the premises.
- ⇒ Additional cleansing work proved necessary and **MJH Pressure Cleaning** came in on Sunday morning to steam clean, treat and steam rinse the children's play equipment.
- ⇒ The children's play equipment was reinspected for safety by our specialist inspector **R&S Play Installation** without charge.
- ⇒ **Parkers Pitches** very kindly undertook scarification of the pitches as part of this process at no charge and
- ⇒ **Haughley Block Plant** delivered, free of charge, concrete blocks to enhance site security to prevent further unauthorised access as a temporary measure.

Planning for a more permanent solution is in progress, including arranging finance and installing suitable barriers to enhance long term security whilst being mindful of the need for emergency vehicle access as well as maintenance and authorised vehicles.

We also thank the many people who volunteered to help with the clear up.

Whereas travellers have visited Haughley on several occasions, generally with one or two caravans at a time, they have never been known to have formed an encampment on the Playing Field during living memory – over 80 years. The unauthorised encampment on the Playing Field during recent weeks has necessitated a review of relevant risk assessments. Over the course of the next few weeks, the Playing Field Committee will consult with the Crime Prevention Officer, ambulance and fire services, officers at Mid Suffolk District Council and the Gypsy Roma and Traveller Service to identify and install appropriate security equipment.

We are grateful to the many people who have supported our efforts with understanding and offers of help.

Haughley Parish Council and
Haughley Playing Field Committee

NEWS FROM YOUR DISTRICT COUNCILLORS

Local listed building consent order: At July's Council meeting, a process was agreed to enable thousands of Grade II listed building owners to make sensitive energy efficiency upgrades more quickly and easily. The first such initiative in the country, it will involve both Mid Suffolk and Babergh working closely with Historic England, and potential upgrades will include improving or replacing windows, and permitting solar PV and other renewable technologies to be installed on unlisted outbuildings. The aim is to enable residents to more easily reduce the energy needed to power and heat their listed homes. A consultation will be undertaken in order for a policy to be progressed.

Household support: Also at July's Council meeting, the Council committed to further funding for those in need. A new discount on Council Tax for those on very low incomes and extra funds for the household support fund were approved. The fund is available to those who are finding it difficult to pay their housing costs. Any resident in need can apply via the MSDC website <https://www.midsuffolk.gov.uk/w/household-support-fund> or to phone 0300 1234000 option 3.

Call for biodiversity land summit: MSDC are holding a 'call for land' summit on 5th September, 10am-2pm, at the Mix in Stowmarket. Any landowner who would like to use their land to help wildlife – for example by tree or hedge planting or creating a meadow – is welcome to attend. This is a free event, and advice, support, and resources from local environmental organisations will be available.

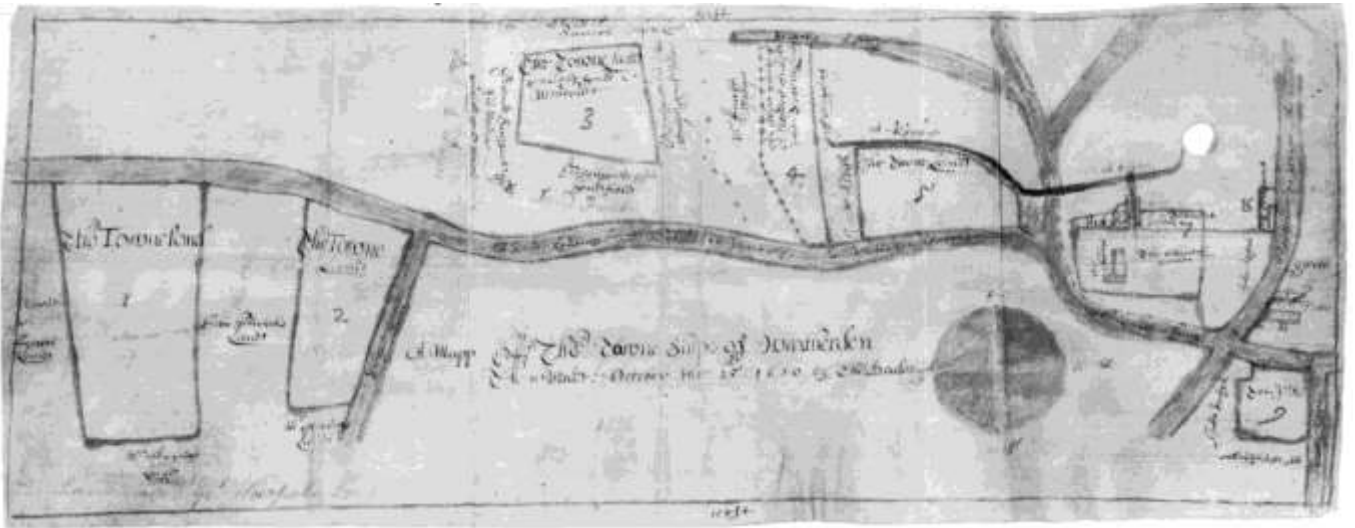

Register your interest at <https://www.eventbrite.co.uk/e/call-for-land-summit-tickets-950534031877>

Locality Awards available: Applications for this year's Locality Awards grants are open for amounts from £250. Groups and organisations should email an application to either of us for consideration. Please get in touch if you want to discuss. <https://www.midsuffolk.gov.uk/web/mid-suffolk/w/locality-awards>

WETHERDON TOWN LANDS

Charity Number 208528, founded in 1408
Map of Town Lands land holdings, dated October 25th 1690
Drawn by Thomas Dade

An Introduction

It is quite likely that people living in Wetherden have not heard of the Town Lands Trust, yet it has existed in and for the village since 1408! Here therefore is a short history of this venerable Town Trust.

We know from existing documents that the Trust started with a donation in 1408 of a plot of one acre of arable land. It is in fact the second oldest Town Charity in Suffolk, and over the years other towns introduced similar Trusts to help alleviate poverty. In those days, no formalised form of Charity existed, yet the need was there. So the Landowners stepped up to find a way to help.

Over time the Trust was granted other plots of land, with the objective of renting it out, and using the income to buy coal during the summer when it was cheap and selling it on in winter to a specifically defined group of parishioners. Some plots remain in the ownership of the Trust, some have been transferred or sold to other owners: the reasons being lost in the mists of time. A swathe of documents exists at the Hold, (Suffolk Record Office) about the land holdings including a first map dated 1690 reproduced above. It and a connected document written in the script of the time of course, shows details of each plot, location, and details of the adjacent properties, naming the owners of those lands by way of reference. Fortunately we have been able to transcribe these into understandable modern English script.

What do we represent for the Village today? The Trust is not wealthy, but we continue to this day to provide a number of contributions once a year to those we feel could be pleased and helped by these small amounts. The definition of who we may help has long since been widened from the early founding requirements of the 15th Century! In fact we are keen to learn of people who you might think deserving of a small sum around Christmas Time. The only restriction is that they must live in Wetherden, as of course many other villages and towns have similar Trusts.

The Trust owns the Allotment Lands in Park Road and Church View, and lets these out a reasonable rents for the enjoyment of Villagers. We were able a few years ago, to purchase the land used as a car park opposite the Maypole, for which we currently do not charge, and hold "Fayres" on that space twice a year again for the benefit of the villagers. We do not earn money on these events, it is just our way of creating some enjoyment to those who visit.

HAUGHLEY PARISH IN BLOOM

AN UPDATE FOR PARISHIONERS, SEPTEMBER 2024

Well done to the Haughley Parish In Bloom volunteers!

We are well into summer sunshine now following an early period of rain with no sun which had a slow growing effect on our plants. However, we are sure you will all agree that the planters have flourished and are looking very pretty, helping to enhance our village.

A huge 'Thank You' to our wonderful volunteers.

We are planning a programme replacement of some old/damaged 'worn out' planters, replacing with a few new planters during Year 2025! Planning has also commenced for Autumn planting, where you will see a tidy up of summer plants/planters and planting of autumn plants which will commence during the month of October.

We look forward to working with all of the volunteers further and will arrange a 'get-together' to gather thoughts and ideas for future planting during the month of September.

If there are any Parishioners interested in joining the Haughley Parish In Bloom team, please do contact us. If you would like to view any 2024 photos of our planters; you can view on the Haughley Parish Council (HPC) Official Facebook page.

Fundraiser 31st August – by the time you read this it may have happened but just in case you have your copy a reminder that the Football club will be hosting a fundraiser and the profits from the raffle will start our funding pot towards the secure gateways to the field.

FAMILY DISCO Fundraiser Friday 13th September 2024 (also in separate add). We are having a fundraising disco in the function room. Disco and raffle. Some nibbles provided, bring your own drink. £10 adult ticket £4 accompanied children and £25 2 adults & 2 children. Contact Julia Brooke 07774560507 or Margaret Buttle 07780633312 to book your tickets.

Following our recent visit by a Travelling community at the Playing field there is so much to say in response to this situation that the Playing Field Committee, with the Parish Council, has done a separate article summarizing the event. The Playing Field Committee will be considering different options for longer term prevention of unauthorized access and liaising with emergency services for advice.

The positive that has come out of this situation for me, is the sheer amount of collaborative work between organizations, support from people who live in Haughley that want to protect where they live, along with the volunteers from the member groups, has been overwhelming. I cannot thank them enough.

New Pilates Class Monday mornings at 9.30am starting 9th September – Through the Active Suffolk support and following the survey earlier this year, we have secured funding to start a Pilates class. First session is free, then half price for the following 6 weeks, just £5 while the class gets established. For further details and to book a space please contact: Kelly Clayden kellyclayden@googlemail.com or Henry Lane from Active Suffolk henry.lane@activesuffolk.org or 07342002024. All levels of ability catered for.

The Pavilion regeneration project – Work is ongoing behind the scenes, even though it has been slowed a little by recent events taking people's time and working around summer holidays. The revised plan focusses on extending the section of the building to the right of the front door into the area beside the Bowls green, this will be a two storey building, extending the upstairs function room and will release some space internally to fit a lift to upstairs. The shower rooms will have a reconfiguration and refit. Other parts of the building will have an upgrade to windows, external fittings such as windows, doors, guttering etc. In addition, the plan is to get away from the part oil heating/part electricity to electricity throughout, with the installation of solar panels to reduce energy costs. *If possible, the ground floor space will be increased by enclosing the patio area.*

Advertising board at the entrance to the Ron Crascall pavilion. If you would like to advertise your business, please contact us via the parish clerk. Clerk@haughleypc.co.uk. The charge will be £250 a year for an A5 size advert, and the money raised will help the upkeep and general maintenance of the Pavilion, playing field and equipment.

WETHERDEN CELEBRATES 50 YEARS OF RINGING

To mark 50 years since ringing restarted at Wetherden, a quarter peal of Grandsire doubles was rung on Tuesday 20th August by the following:

Treble	Julie Hart
2 nd	Janet Sheldrake
3 rd	Serena Steggles
4 th	Mark Steggles
5 th	Gordon Slack (Conductor)
Tenor	Basil Hart

Basil, Serena and Janet were members of that new band and were joined on this occasion by their spouses. We also rang in fond memory of Serena's father, Ken Mulley, who was instrumental in forming the new band in 1974 and who died in 2004 after many years of service to St Mary's Wetherden. Together with Basil, Serena and Janet, Ken rang in the 20th anniversary Quarter Peal in 1994.

If anyone is interested in having a go at bell ringing you are welcome to come to our practice night 7.45pm on most Tuesdays. Alternatively, there is a beginner's practice night at Haughley on most Mondays at 7pm

Romans 1: 20

Ever since God created the world, his invisible qualities, both his eternal power and his divine nature, have been clearly seen; they are perceived in the things that God has made. So those people have no excuse at all!

Sometimes as I walk around the town centre, I find that some people do ignore me, (which is not easy as I am not the smallest of people) people walk in front of me in queues, push past me without saying excuse me, and on occasion been run over, or been bumped into by a pram, I would like to think that not everyone is like this, where has our common courtesy gone, but this gets me to thinking how often we all walk around not noticing anything.

As for me as a Christian I am looking and noticing all of God's creation, Once When I was out walking I saw at least 5 different sorts of butterflies, when I see a sight like this I always feel that the world cannot just come into being, without some great creator behind it, how often do we not really not look at things as we walk around, we miss out on the beauty of buildings if we do not look up, or the nature that is all around us and the smile of a passing person to cheer our day.

You never know by looking up you may notice something you have never noticed before or even make some ones day with a smile.

HAUGHLEY EVERGREENS HAS BEEN RELAUNCHED SUCCESSFULLY!

There was a real buzz in the village hall as people took part in the Evergreens' Afternoon Tea in August, which brought together residents who are new to the village with others who have lived here a long time. Evergreen members were welcomed with singing from Alan Wright followed by sandwiches, sausage rolls, fruit scones with jam and cream and a selection of cakes. Alan sang more numbers after Tea. This enjoyable event was organised by WI members and funded by grants from the Haughley Parish Council and the Mid Suffolk District Council Localities Fund plus the very successful ABBA night organised by WI member Tracey Rayner in April this year.

My thanks go to all the funding providers and the WI volunteers, Tracey, Irene, Sue, Anne, Marian, Sarah, Christine and Lesley plus volunteer drivers Yvonne and Wendy and Margaret who helped in the lead up to the event. Thanks too to Ian and Malcolm for setting up and helped by Gerald, putting away tables and chairs.

Feedback from guests was very positive:

"... it was lovely to get together with so many old friends who we so seldom see as we get older. The whole afternoon was great, brilliant singer, delicious food served by such willing, kind, friendly young women. I had a delightful afternoon, thank you and the whole of WI"

The next event is a Christmas lunch at the Kings Arms, Haughley, very generously provided by Paul and Debbie Webster. WI volunteers will again be serving Evergreen guests at the event.

**If you would like to help organise and deliver events
for the over 70s of Haughley for next year
please phone or text Julia on 07774 560507**

ECO-CHURCH MESSAGE

Tips to avoid Fast Fashion and create more sustainable habits.

Fast Fashion is a problem for our planet and for the communities which create the garments across the world. The clothes are made cheaply and plentifully, meaning we fill our wardrobes with five times as many clothes as our grandparents would have done. In short, we consume too much and consequently become unsustainable.

How can we help? Here are a few short tips which can help us all become sustainable consumers and may help with our cost of living crisis too!

Second Hand. Many of us have access to second hand buying platforms such as eBay or Vinted. We can sell the clothes we no longer want to those who can reuse them. Putting a little extra in our pockets and less into the environment. Purchasing from these outlets can also prove to be a much cheaper way to shop! Charity shops are a great source of shopping in general, and donating your children's outgrown clothes to grateful friends can help lots of families become more sustainable.

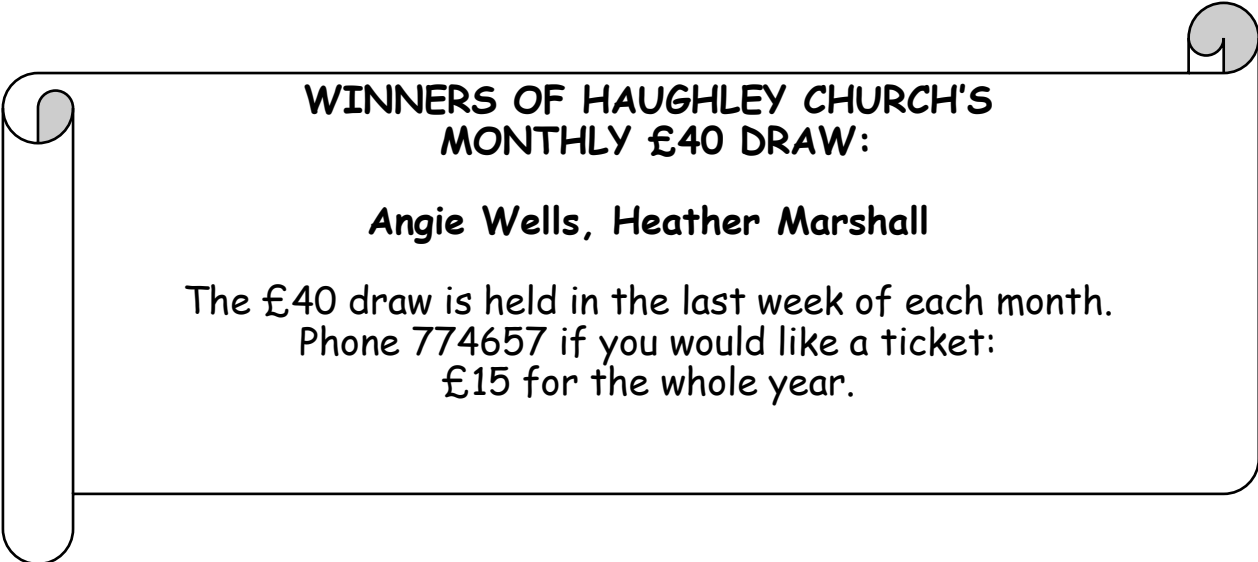

Buy Less. Many of us purchase clothes to feel better, or to wear for one occasion. Purchasing less helps to reduce the production costs, delivery fuel etc.

Repair. Rather than throw out the pair of jeans which have a hole in the knee, there are very inventive ways to repair them. If sewing isn't your skill, there are lots of craft groups locally which can help teach you, or online workshops. Why not give it a go and maybe learn some new skills!

Washing our clothes. Washing full loads on a cold wash helps to reduce not only your electricity and water bills, but helps the environment too. By wearing clothes more than once we can reduce the need to wash – there are not many of us who would turn down the idea of less chores!

Swap clothes. By swapping clothes with friends or in local swap shop groups, you can not only save a lot of money and feel like you have a new wardrobe, but know your helping to save the environment too.

There are many more ways you can help, why not organise your own swap shop with friends and neighbours? Or visit online resources for more ideas. All help is a big help towards sustainability – it starts with just one act.

HAUGHLEY PARISH COUNCIL MEETING HELD ON TUESDAY 16TH JULY 2024

County Councillor Andrew Stringer highlighted: The Scrutiny Committee reviewed the council's priority action plan to improve SEND services following the poor Ofsted/CQC inspection report. There was extra £4.4m funding to recruit more staff, including educational psychologists with plans to invest more money in the improvements. The DfE will review progress, including communication with parents and carers, responses to complaints and the importance of early intervention to support young children. SCC is taking part in a new initiative for fostering under the banner Foster East along with ten other councils in the region. There is an urgent need for foster carers in the East of England. The new government proposals have led to some changes on the planning system, as well as major decisions such as approval of the Sunnica Solar Farm on the Cambridge Suffolk border. This will encourage further similar projects being planned. Housing completion targets are being raised, but to date the government has not published the methodology for assessing the housing numbers required.

District Councillors Rachel Eburne & Janet Pearson submitted a report prior to the meeting. Babergh and Mid Suffolk have now published an Economic Land Needs Assessment document. This shows the future employment land requirements in the Districts to support the identified growth for 2023 to 2037, in accordance with the National Planning Policy Framework and Planning Practice Guidance. The planning application (DC/23/05721) for 29 dwellings and associated infrastructure on the land next to Millfields on Station Road was expected to be discussed at Planning Committee on 31st July. It was agreed that the Chairman would represent the Parish Council at the committee meeting.

Planning. DC/24/02825 - Erection of a single storey porch extension to Balfour House Location: Walnut Tree Manor, Haughley Green. Council SUPPORTED the application. **DC/24/02869** - Application for Listed Building Consent - Remove existing external render on front gable and back elevations, repairs to timber frame as required and insulate with sheep's wool. Replace solvite board with lime putty. Paint with lime wash. Location: The Grange, Duke Street, Haughley. The Council SUPPORTED the application.

DC/24/02244 - Erection of shed (following demolition of existing). The Grain Store, Haughley New Street. Planning permission has been GRANTED.

National Grid Consultation. The Council agreed to OBJECT with reasons given to the consultation on the National Grid Electricity Transmission plc ("National Grid") intention to apply to the Secretary of State for a Development Consent Order ("DCO") under Section 37 of the Planning Act 2008 (as amended) to authorise the construction of Norwich to Tilbury.

Post Project Working Group. The Council agreed to a range of proposals for consultation and that a separate article was to be submitted to the H&W Parish News.

New MP for Waveney Valley. It was agreed to liaise with adjoining and nearby parishes (Old Newton, Stowupland and Wetherden) in the new Waveney Constituency to invite the MP to visit our area.

Lorry Survey A date and the location was agreed.

Finance. The Council received financial reports and agreed to payments, grant applications and approved various quotations.

Councillors raised various issues and agreed action where appropriate, including the condition of the grass cutting in areas of the village. Nettle encroachment for the Fishponds Way wildflower meadow which is currently managed by the developers. Plants having been stolen from planters in Fishponds Way - **Woolpit Nurseries** kindly donated replacement plants. Most of the play park items had been repaired. The grass at the moat needed to be cut. A presentation of the new plans for the regeneration of the Playing Field was made to the Councillors. It was proposed to write a PR campaign. Nettle encroaching on the play park at The Cricket.

Correspondence Councillors noted and considered correspondence.

Date of next meeting: Tuesday 17th September 2024 at Ron Crascall Pavilion at 7.00pm

Amidst changes to Winter Fuel Payments, Citizens Advice Mid Suffolk offers top tips on affording energy bills this winter.

In late July the Chancellor announced changes to the Winter Fuel Payment (WFP).

The WFP is an annual one-off payment to help pensioners pay for heating during the winter. Depending on age and if you live with somebody else who's eligible, it could provide up to £300 towards your bills.

However, the new announcement means only those receiving Pension Credit or other means tested benefits will now be eligible for WFP.

The changes might be confusing and worrying to some people who have already factored WFP into their household budget.

That's why Citizens Advice Mid Suffolk is on hand to offer their top tips on affording energy bills this winter.

There are also steps those still entitled to the Winter Fuel Payment can take to make sure they don't miss out on this much-needed support. We know a third of people entitled to Pension Credit aren't claiming it, and it's more important than ever to apply for this benefit if you can.

Pension Credit is a weekly benefit to boost your income and is based on how much money you have coming in. If you have reached State Pension age, you might be able to apply for it. Check the Citizens Advice website to see if you're eligible and get instructions on how to apply.

Citizens Advice Mid Suffolk can provide in depth advice on this issue and much more, including debt, finances, employment, benefits and family/relationships. You can contact them by phone on 01449 676060, visit in person at Milton House, 5 Milton Road South, Stowmarket IP14 1EZ or use the contact form at midsuffolkcab.org.uk/contact-us. Opening hours are Monday-Thursday 9.30am – 3.30pm and Friday 9.30am – 12.30pm.

Orchard Barn News

Save the date – join us for our 17th Birthday Party Celebration on Saturday 21 September!

Help us celebrate 17 years of working with the natural environment and teaching traditional and sustainable building methods. If you have ever wondered what we do, then this is your chance to find out!

Our off grid site will be open from 11 am with demonstrations and a guided tour at midday. Meet our friendly volunteers, see how our amazing reinstated 1580s Long House project is progressing, look inside our beautiful barn and enjoy exploring our organic vegetable and fruit garden. There will be tea and cake available during the afternoon and everyone is welcome! See our website for more details.

Have you heard of Employer Supported Volunteering? Recently we had 6 volunteers join us for the day from Suffolk County Council, who all enjoyed a day with us learning about what we do by joining in with various activities on site, whilst still being paid for their day job. Amy said 'Thank you for a fantastic day! It was wonderful learning about the history of the place, learning new skills and seeing so much wild-life on the site.' Perhaps your employer would be willing to provide this opportunity.

ELMSWELL HISTORY GROUP

Our July outing to **Ely's Fenland Museum** included an excellent 90-minute guided tour from the very knowledgeable Felix who took us through all the ages and different aspects of Ely's history in their beautifully refurbished and extended building. Well worth a visit and enjoyed by everyone, with the added bonus on the day of watching a number of Morris-men dancing performances all around the town, presumably from the nearby Ely Folk Festival.

We hope to have a small display at this year's **ElmsFest** on Sat 7th **September**, 12-5pm (FREE entry), at the Blackbourne Centre, so do come and see us there then, when you can perhaps take part in our local competition with the chance of winning a ticket to one of our new talks. We should be in the Chamberlayne Hall, near the bar!

FROM THE ARCHIVE, 3rd Sept 1924 - Suffolk County Library opened new premises in Northgate Street. The stained-glass windows in the upstairs room represented many aspects of Suffolk public life – literary, political, ecclesiastical and industrial. Taking pride of place was the 14th-century writer, Geoffrey Chaucer (1343-1400) who, although a Londoner, was from an Ipswich family. His great-grandfather, Andrew Chaucer, had a hostelry on the corner of Tower and Tavern Streets, marked later by a brass plaque showing a pilgrim on horseback. Geoffrey Chaucer's father was a London vintner, but he also exported wheat from Ipswich. (*Ref: Ipswich Society*)

We look forward to welcoming you back to the Wesley Hall next month (7.30pm) for the start of our new 2024-25 season of historical talks with an East Anglian flavour. Our first one on **Thurs 12th September** will be "**Hop Cultivation in Suffolk**" by local historian, Neil Langridge. He will highlight the cultivation of hops in the Stowmarket area from 1635, particularly in Old Newton and Dagworth, brought by Flemish weavers who settled in the area.

And Finally If the weather isn't kind in the coming months and/or you're stuck indoors for any reason, why not catch up on a re-run of the BBC's 1970s series "*The Story of English Furniture*" on BBC4 (Freeview 9) or the iPlayer. This covers six centuries of furniture-making but also gives some fascinating details of general British history in a very relaxed and easy-going manner. So, feast your eyes on these sumptuous pieces of historic furniture and your ears on the dulcet tones of Hugh Scully and Arthur Negus - remember them?!
