

## HAUGHLEY WI – an Update

Our excellent guest speakers' varied topics contributed to a great start for our monthly 2019 meetings in the Village Hall:

- January: The world of Cosmetics
- February: Life of a Racehorse
- March: Special Friends (support dogs)
- April: Rumour – a Suffolk Scandal (the focus was unintended consequences of unfounded rumour on one family at the start of WW1)

As well as our regular monthly meetings we have a much enjoyed monthly lunch club, which is now a permanent fixture. We also have many other events which members can participate in if they wish.

- April 20: Easter Cake stall 10-12 in Old Street: we're often sold out by 11.00, so you may wish to come early!
- May 1: A social evening to include taking a vote on the National WI 2019 resolutions
- May 7: Wolsey Theatre trip to see Panto based around Giles carton family
- May 15: joining other local WIs (the Magpie group) for a social evening with guest speaker David Webb (a "yellow-coat" in the long running 1980s sit-com Hi-di-HI)
- May 25/26/27: Haughley Flower festival will include a Haughley WI display
- June 5: Charlie Haylock evening: see separate poster
- June 8: Haughley Summer Fair will have a WI Games Stall
- June 26: our annual Fish & Chips supper
- June 24: A team of 4 volunteers will represent us at the Federation's annual Quiz evening in Needham Market
- June 29: Palmers 150<sup>th</sup> anniversary event when we will have a cake stall
- July 6: Summer Garden Party this year will be at venue in Haughley New Street
- July 16: Participation in the Federation's Centenary Windmill walk and trail

As you can see lots things for everyone to pick and choose from, and there will be more on offer later in the year! If you are a lady who lives locally and you want to know more about Haughley WI, just turn up at one of our friendly monthly evening meeting on any first Wednesday in the month, or if you prefer you can contact me.
