

## Haughley WI June 2019

Our excellent monthly guest speakers programme has a very special speaker this month, when the Village Hall is the venue for a welcome return visit by the local well-known author, poet and local entertainer Charlie Haylock.

This is the third time Charlie has paid us a visit and we are anticipating an informative and entertaining evening.

We are confident that well-researched content will be delivered by this master of dialect in his own unique and indomitable style. Our expectations are high

Charlie Haylock. <http://www.soundingboardproductions.co.uk/chdefault.html>
